

Looking for the
**best field
trip ever?**

How about a place
to hold the **coolest
birthday party
in history?**

At OH WOW! kids won't only
have a great time
they'll learn a few things too!

At OH WOW! we make learning fun by fostering independent thinking and enriching the lives of children through the exploration of hands-on interactive exhibits. This is where Science, Technology, Engineering and Math (STEM) come alive.

**Reserve your date, today,
for your event.**
